### CLIENT QUOTE OR COMMENT:

My name is Dennis Leggett, a client of Chris Russo of Kirshenbaum & Kirshenbaum. I would like people to know that Chris was so completely honest with me from start to finish about my case. He was absolutely incredible in winning my case and I am so thankful. I have so many health issues and he saw that it wasn't going to stop him from achieving a victory. Thank you so much for helping me Chris Russo and for being so honest with me right from the beginning.

Thank You,  
Dennis J. Leggett
